Additional information

The residential complex PineWood Apartments is located on an area with a total area of 5826 m², consists of two 3-storey buildings (each house has 14 apartments) and a 2-storey guest house.

Each building has its own gas boiler, individually adjustable heating system.

The main element of the external design of buildings is wood of valuable species of dark and light shades. Excellent sound insulation, which preserves peace and quiet in the complex, is provided by a monolithic reinforced concrete frame of buildings, a silent panoramic elevator.

All apartments in the residential complex PineWood Apartments have full high-quality interior decoration (parquet, marble, granite, Villeroy & Boch sanitary ware).

The complex provides ground parking for cars, bicycle parking, playgrounds.

The infrastructure of the district is fully developed (shops, service companies, hotels, restaurants, educational and medical institutions), convenient transport links between the districts of Jūrmala and cities (buses, minibuses, pumpuri railway station).
