Additional information

Choose an apartment of your choice on one of the four floors of Park Residences. A variety of options offers a choice of 66 apartments with living area from 96.5 to 135.5 sq.m. in one of three Park Residences buildings. Ir iespējams dzīvokļus apvienot.

For each of the residents of the residences - a balcony or terrace overlooking the natural massif of the coast.

The rich infrastructure of the project location guarantees the convenience and ease of access to the cultural and commercial sites of the city. The close location to the Latvian capital and the airport makes life in residences comfortable for those whose life is closely connected with doing business.

The territory of the residences is guarded, fenced and completely safe. The equipped playground will provide fun leisure for the younger generation of the residents of the complex.

The real advantage of Park Residences is a huge park that spreads the crowns of its trees right outside the territory of the houses. The park alleys will undoubtedly become a favorite place for fans of both calm and active rest. You can also spend your free time on the seaside, which is less than a five-minute walk away.

Park Residences is a long-term investment in your personal well-being.

Around the perimeter of each building there is a parking lot with a total capacity of 87 spaces. For the convenience of storing additional inventory, a number of technical rooms are provided.

For everyone who wants to find the perfect balance. Park Residences is a long-term investment in your personal well-being.
