Additional information

Mežaparka Village is a Comfort + class village-type project on Čiekuru Street, only 150 m from the main promenade of Mežaparks.

Mežaparka Village is an ascetic, harmonious, modern residential complex with a green area, sports and children's recreation areas, surface parking lots and bike sheds.

All homes are offered with full Premium class interior decoration.

We offer to purchase a terraced house section with its own territory and an outdoor terrace, which creates the feeling of living in a private house.

The two floors of the house are conveniently planned:

- On the first floor there is a spacious living room with panoramic windows and an exit to the terrace, a kitchen area, a guest WC and a utility room;
- On the second floor there are three bedrooms and a bathroom;
- There is an exit to the roof, where it is possible to create a large roof terrace.

A palette of natural tones was chosen for the interior decoration, supplemented with light brown natural oak floors. Finishing of the bathrooms - large-format stone mass tiles from the manufacturer VIVES, modern design sanitary ware from the manufacturer Hatria, Bianchi, and built-in Kaldewei bathtubs.

The main advantages of the village:

- nature is as close as the city center, only 150m to Mežapark's main street

Promenade;

- extensive sports recreation opportunities - Mežapark's large stage, Green Theater, Vecāķu beach only 15 minutes away by car, OZO golf course, several cafes in Mežapark's territory, Ķīšezers sports club and beach;

- the proximity of the forest combined with the advantages of the city;

- the friendliest management company, OneConcierge, which will ensure the beauty and cleanliness of the village area, as well as take care of reasonable utility bills.

Mežaparka Village is a place to live that will be appreciated by both healthy lifestyle and art lovers, as well as young couples and larger families.
