Additional information

Your business opportunity in the heart of Riga!

In the new project **Akas iela 4**, we offer a commercial space on the ground floor with large street-facing shop windows.

- Shell & core premises — easy to adapt for a shop, restaurant, salon, clinic, or office.
- Excellent visibility and pedestrian flow thanks to its central location.
- Ceiling height up to 3.8 m — spacious and flexible for interior design.
- Modern utilities and individual meters.
- Underground parking available for clients and staff.

Akas iela 4 — a high-quality project on a historic yet quiet street in Riga's center.
